Dear Judge Farrin,

It was my intention to file an opening brief in my motion for Habeas Corpus. Unfortunately I am being denied access to a law library so that I am unable to prepare one.

Today marks six weeks that I have been writing officials in D.O.C. and requesting access. I have yet to receive any reply. This seems to be an unethical hinderance on the part of D.O.C..

I would appreciate any suggestions or help from the court. I am in the Crest program at a level IV work release facility. By my understanding of the rules I won't be allowed to even apply for a treatment pass to visit a library for at least 3 more weeks without a direct ruling by D.O.C.

Please help.

Thank You

Christopher Davis
